

**Minutes of P-10 IPD Committee Meeting  
September 25, 2007  
San Antonio, TX**

Attendance: See Roster Attached

Called to order by Ted Coler at 11:10 am.

Agenda unanimously accepted as presented.

Minutes of meeting in San Diego accepted as presented.

Were EIA/ECA 800, 850 and CB16 sent to be published? Ralph Justus to check status. Might be on Mike Griffith's computer – need to check with Brian Piscitelli at KOA. Need to assure transfer of documents when committee leadership changes. Discussed need to establish database of editable versions of documents at ECA.

No correspondence.

### 3.0 Old Business

#### 3.1 Review any additions to PDP-100

No additions.

3.2 Review any issues with IPD products meeting new J-STD-xxx, which is overseen by the S-1 subgroup.

3.3 Review Active Projects list/Five year document review being redone by ECA.

### 4.0 New Business

#### 4.1 Review IPC610 for chipout criteria for IPD devices.

We do not have a copy of the spec to review. Ralph to contact IPC to obtain a copy for the committee to review.
